Holloway's Dream Garden

— The Home Of — Modern Glads

GAGE T. HOLLOWAY

(1950)

HENRY, NEBRASKA

Where Friendship — Desire to serve — Good Will toward every one abounds.

Give fools their gold and knaves their power;

Let fortune's bubbles rise and fall;

Who sows a field or trains a flower,

Or plants a tree, is more than all.

—John Greenleaf Whittier.

This is Etta or Mrs. Gage T., slightly older now but still very active in slipping those top extras in your shipments.

JUST REPEATING

What we have said before. No one could possibly appreciate your friendship and patronage more than we do. Many of you have not missed sending us an order for ten years or more. It is virtually a renewal of the bonds of friendship each year as your orders come in and these things really make life worth living.

Perhaps it should be mentioned here that we do not issue a **Fall List** and with stocks of so many varieties to check, it is impossible to get our new Spring Catalog in the mail until **Late January** each and every year.

It is gratifying to know we are not outdone by other growers in the inclusion of "top" extras that go with all orders.
